PHONE EMERGENCY SERVICES – 999 – ON DISCOVERY OF FIRE

The continuous sounding of the Fire Alarm bell indicates that the school premises should be evacuated for reasons of fire, bomb, risk of explosion or any other emergency.

Any adult who discovers a fire, or to whom a fire has been reported by a child, should adopt the following procedures:

- i) No attempt should be made to tackle the fire with fire extinguishers unless training has been given and the user is happy to do so.
- ii) Sound the Fire Alarm. The activation of the Fire Alarm will automatically result in an alert being transmitted to Churches Fire Alarm Monitoring who will summons the Fire Brigade.
- iii) An immediate call should still be made to 999 to summons the Fire Brigade
- iv) Keep doors closed behind them.
- v) Proceed immediately to the assembly point, in order to report location and/or extent of fire.

In the event of hearing the alarm, **ALL** students and staff **MUST** exit the building via the nearest primary exit, unless prevented by fire from so doing.

- All children, teaching staff and matrons should proceed immediately to the Gravel.
- All non-teaching staff should proceed immediately to the car park area outside the Bungalows.

All children and members of staff should make their way to the assembly point in an orderly manner via the nearest safe fire exit route.

ALL pupils will assemble on the gravel and line up behind the sidelines of the court, facing the sidewall opposite their form number, in Form order, alphabetically by surname with Form 1 nearest the house.

During lessons, staff should stand with the class they have been teaching. At other times during the day Form teachers, where possible, should stand with their forms. Visiting pupils should assemble with accompanying staff at the far end of the gravel to be checked by their own staff, who must report anyone missing to the member of staff checking Cottesmore pupils.

Non-teaching staff, except the Matrons, will assemble on the drive to the front of the school by Buchan Bungalow.
